### **OBJECTIVES OF THE ASSOCIATION**

1. The overarching objective of the association is to promote sustainable development through Recovery, Reuse & Recycling of Resources including energy and to facilitate effective and efficient environmental solutions to Indian industry and others.
2. To work towards making India a landfill free country.
3. To recognize contribution of the rag pickers and transform them into Industrial Workers and to bring informal sector into mainstream.
4. To facilitate Research & Development (R&D) to evolve sustainable environmental and social problems faced by the country.
5. To create awareness on potential solutions to environmental resource issues through workshops, conferences, trade fairs, top management clinics etc.
6. To organize training programs and advisory services to industry, regulatory bodies, Govt. departments etc. inline with the above stated objectives and aims
7. To develop relations with relevant counterparts and others internationally.
8. To undertake all activities including preparing white papers, representations to the Government and other statutory bodies on behalf of recycling and environment industry in India to resolve their issues and concerns.
9. To facilitate inward and outward technology transfers.

### **TERMS & CONDITIONS FOR MEMBERS**

1. Application submitted by the organization/ individual is subject to approval of Membership Committee of REIAI.
2. The Membership Committee reserves the right to refuse an application for membership without specifying any reason.
3. Membership types: -
  - a. MEMBER – Any organization in the business of environmental/recycling services, manufacturing, projects and/or trading is eligible to become a 'member'.

- b. AFFILIATE MEMBER – Any association having members working in the field of environment and/or recycling is eligible to become an 'affiliate member'.
