# ABOUT THE CONFERENCE

With the rapid expansion of electric mobility, energy storage systems, and electronics, managing battery waste sustainably has become a national priority. This conclave brings together policymakers, regulatory authorities, producers, recyclers, technology providers, and financial institutions to deliberate on:

- The implementation of the Battery Waste Management Rules, 2022
- Best practices in Extended Producer Responsibility (EPR)
- Technological innovations in battery collection, dismantling, and recycling
- The role of green financing and investment in strengthening the recycling ecosystem

By fostering dialogue, showcasing innovations, and enabling partnerships, the conclave aims to support India's transition to a circular and climate-resilient battery economy.

# ABOUT THE SPEAKERS

This Conference will feature speakers from:

- Regulatory Bodies - CPCB, MoEFCC, Ministry Officials
- Industrialists - Battery Manufacturers,
- Recyclers - Top Recyclers of the Country
- Domain Experts - Research Organisations i.e GIZ, TERI, BIS, etc.
- and many more.

This brochure also gives details about the sponsorship opportunity for the participants which available on first come first serve basis.
